DL 747003

MORANDUM OF UNDERSTANDING

On this 30th day of November 2022

Between

Department of Wine, Brewing and Alcohol Technology

Gargi Agriculture Research & Training Institute, Nasik, Maharashtra State

and

Department of Food Technology

MES Mampad College (Autonomous), Kerala

The general objective of this memorandum of understanding is to stimulate and facilitate the development of collaborative and mutually beneficial programs especially for the production of short-term certificate online programmes in "Wine, brewing and alcohol" which serve to enhance the intellectual life and cultural development of both campuses. Gargi Agriculture Research & Training Institute, Nasik, M.S and Department of Food Technology, MES Mampad College (Autonomous) has agreed in support of their mutual interests in the field of education

Handwritten signatures and dates: 21/11/22, 23/11/22, 24/11/22, 25/11/22, 26/11/22, 27/11/22, 28/11/22, 29/11/22, 30/11/22.

- Both educational institutions by their mutual consent will be:
 - Conducting study through online platforms and online workshops that facilitate learning activity.
 - Collaborate to offer online Webinars and international conferences of mutual interest.
- The MoU shall aim to achieve a broad balance in the respective contribution and benefits and this shall be subject to periodic review by both campuses.
- Both the institutions agree to assist in the seeking of appropriate facilities with human resources through virtual mode, teaching aids etc. only by their mutual consent. If any Institute is not willing to share details of any confidential facility, they are free to do so.
- Establish a mutually beneficial MoU between colleges that show a flexible and creative response to the organizational missions of both institutions.
- Perform the collaborative activities without any financial burden from both institutions. (No financial burden of any fees from students and staff).
- All the above online activities will be conducted on Gargi Institute's own developed LMS Software "GYANADA & SAMWAD".
- The above MoU will come in effect once the list of Webinar programmes will be finalized.

Reporting requirements and time frame

This MoU will commence on 30/11/2022 for 1 years (Renew every year). This MoU is the complete agreement between Gargi Agriculture Research & Training Institute, Nasik, M.S and Department of Food Technology, MES Mampad College (Autonomous) and may be amended only by written agreement signed by age of the parties involved.

In witness whereof, the parties here to have offered their signatures:

DR. SHINDE M P PRINCIPAL GARGI EDUCATION INSTITUTE'S GARGI AGRICULTURE RESEARCH & TRAINING INSTITUTE (AFFILIATED TO SAVITRIBAI PHULE PUNE UNIVERSITY) NASIK, MAHARASHTRA STATE Signature: _____ Principal Gargi Agriculture Research & Training Institute Nashik	DR. MANZUR ALI PP PRINCIPAL MES MAMPAD COLLEGE (AUTONOMOUS) MAMPAD COLLEGE P.O. MALAPPURAM DISTRICT, KERALA Signature: _____ Principal MES Mampad College (Autonomous)

WHEREAS:

- First Party is a Higher Education Institution named:
(i) GARGI AGRICULTURE RESEARCH AND TRAINING INSTITUTE (GARTI), Nashik.
- First Party & Second Party believe that collaboration & co-operation between themselves will promote more effective use of their resources, and provide each of them with enhanced opportunities.
- The Parties to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interests.
- Greengrid Renewables Pvt.Ltd., the Second Party is engaged in business, Manufacturing, Sales Development, Education & R & D Services in the field of Solar, Renewables & Electrical fittings and related fields.
- Greengrid Renewables Pvt.Ltd., the second party is promoted by promoter name Group; Address and background of the Company.
- Give related information, its branches, and dimensional information about the industry concerned with which MoU is sworn.

CLAUSE 1

1. Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make em industry ready.

6. Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and house requirements.

7. Faculty Development Program: Second Party to train the faculties of First Party for imparting training as per the industrial requirement considering the national Occupational Standards in concerned sector, if available.

8. Placement of Trained students: Second party will actively engage to help in delivery of the training and placement of students of the First Party into internship/jobs; and will facilitate placements for the priority of the students.

9. Both parties to obtain all internal approvals, consents, permissions, and consents of whatsoever nature required for offering the programmes on the terms specified herein.

10. There is no financial commitment on the part of the Gargi Agriculture Research and Training Institute, the First party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

1.1 Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either party and right, title, interest on license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other party.

CLAUSE 4 VALIDITY

1.1 This Agreement will be valid for 2 years or until it is expressly terminated by either party on mutually agreed terms, during which period Greengrid Renewables Pvt.Ltd., the second party as the case may be, will take effective steps for implementation of this MoU. Any act on the part of training partner or Gargi Agriculture Industries, the second party after termination of this agreement by way of communication, correspondence etc. shall not be construed as an extension of this MoU.

CLAUSE 5

CO-OPERATION

1.1 Both Parties are united by common interest and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and second party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the industry, the Secondary Party.

1.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the "Definitive Documents") as may be required to give effect to the actions contemplated in terms of this MoU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MoU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry; both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 Curriculum Design: Second party will give valuable inputs to the first party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 Industrial training & Visits: Industry and institution interaction will give an insight into the latest development / requirements of the industries; the second party to permit the faculty and students of the first party to visit its group companies and also involve in Industrial Training Programs for the first party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition.

2.4 Research and Development: Both parties have agreed to carry out the joint research activities in the related fields.

RELATIONSHIP BETWEEN THE PARTIES

5.1. It is expressly agreed that First Party and Second Party are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither party is authorized to use the other party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other party, without the prior written consent of the other party. Neither party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party
Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration act, 1966. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Nashik.

7. SCREENSHOT OF CERTIFICATE OF EXPERIENCE AT GOOD DROP WINES PVT. LTD.

EXPERIENCE CERTIFICATE

Date:-05/06/2023

This is to certify that Mr. Mahesh Sopan Talekar was employed of GOOD DROP WINE CELLARS PVT. LTD. GODAVARIWINE PARK, VINCHUR, Nashik as an Jr. Executive (Quality Control) from 01 December 2022 to June 2023. During this period he worked 60 hours per week.

During the period of employment at GOOD DROP WINE CELLARS, Mr. Mahesh carried out wine making, addition of chemicals, making of sparkling wine, cellar hand, check the quality of packaging material and lab analysis. He worked as an assistant with our Senior Winemaker Mr. YOGESH LONDHE and Winery Operations Head Mr. DEEPAK CHAVHAN. Mahesh has always rendered his services with the highest degree of responsibility and professionalism and we wish Mahesh all the best in his future endeavors.

During this time Mr. Mahesh Talekar supported us in all the essential processes involved in winemaking from reception of the grapes to bottling. This also includes processing of must, pressing, starting fermentation control, fermentation, racking, filtration, blending and packaging QC. He was also able to gain experience concerning red winemaking, preparing analysis, making sparkling wines and still wines as well as aging in wooden casks. Moreover he took the bottling QC. He was also employed for presentation and tastings of the products of Good Drop.

Mahesh always carried out the tasks assigned to him to our complete satisfaction. He was receptive and able to learn fast and after a short period of introduction he was able to work on his own and he could be integrated into all our internal processes without any problem.

We got to know Mahesh as helpful, open minded, reliable and committed person. His behavior towards superiors and colleagues was very polite and exemplary in every respect.

We wish Mr. Mahesh Talekar all the best for his professional and personal future.
