Globally Recognized for Excellence in Beverage Education

Established as Asia's premier educational institute in wine, beer, and alcohol technology, our institution stands as a beacon of innovation and quality in the beverage industry. Accredited by Savitribai Phule Pune University, our curriculum embodies excellence in beverage education, meticulously curated to meet industry standards and demands. Through thorough needs assessment, curriculum development, and course content curation, we ensure a holistic learning experience that balances theory with practical application. Many of our students get scholarships and awards on Internal level in this field of Wine, brewing and Alcohol technology. Our curriculum integrates the latest industry trends and advancements, preparing students to excel in the dynamic beverage landscape. Practical training, facilitated by experienced faculty and supported by unique facilities such as on-campus wine storage and a micro-distillery and brewery unit imported from Brazil, fosters a dynamic learning environment. Industry collaborations and regulatory compliance further enrich our educational offerings, providing students with real-world insights and experiences. With a track record of over 150 students trained in Italy and Germany and more than 200 placed in wineries, breweries, and distilleries worldwide, our institute has earned global recognition for producing industry-ready professionals. Our commitment to continuous improvement, feedback integration, and technological innovation ensures that we remain at the forefront of beverage education, offering students a pathway to success in the ever-evolving industry landscape.
