### **Student Feedback Report**

This report presents the findings of the student feedback survey conducted at **Gargi Agriculture Research and Training Institute (GARTI)** during 2021-2022. The purpose of the survey was to gather feedback from students regarding their experiences at the institution, including the quality of teaching, facilities, and overall learning experience. A total of 51 students participated in the survey, providing valuable insights into their experiences and perspectives.

#### **Key Findings:**

##### **Teaching Quality:**

The majority of students reported that the quality of teaching at the institution was good or excellent, with 60% rating it as good and 30% rating it as excellent.

##### **Learning Experience:**

Students reported that they enjoyed their learning experience at the institution, with 24% stating that it was enjoyable, and 12% stating that it was very enjoyable.

##### **Facilities:**

The feedback on the facilities was mixed, with 28% stating that the facilities were good, and 22% reporting that they were average. Some of the facilities that were highlighted as needing improvement were internet, canteen etc.

##### **Student Support:**

The majority of students reported that they received adequate support from the institution, with 51% stating that the support was good, and 14% stating that it was excellent.

##### **Areas for Improvement:**

GARGI EDUCATION INSTITUTE  
**Gargi Agriculture Research & Training  
Institute**

Some of the areas for improvement that were identified by students include internet, canteen etc.

**Conclusion:**

Overall, the student feedback survey provided valuable insights into the experiences of students at the institution. While there were areas that were identified as needing improvement, the majority of students reported positive experiences with the quality of teaching, learning experience, and student support. We will use the feedback provided to make improvements and ensure that we continue to provide a high-quality educational experience for our students. Thank you to all the students who participated in the survey and provided their valuable feedback.
